This is a proposed response to the letter John Shively sent me transmitting another copy of the CD of their 2008 meetings. What are your thoughts?

Hello John,

On November 17, 2011, you sent me a CD of the Pebble Limited Partnership 2008 Agency Meetings Presentations, thinking that we had misplaced the versions of the CD that you provided me in August. There was some confusion at our November 1, 2011 Pebble/EPA meeting about the status of that CD but I had distributed it to members of our technical team. Thank you, though for sending me another copy. At that same meeting, Ken Taylor agreed to send us the Power Point presentations delivered by the Pebble consultants. If that is still possible I would be interested in receiving those presentations and will distribute them expeditiously to our team.

Please call me if you would like to discuss this.

Thank you
